

## Bishop's Lodge Guest Covid-19/Coronavirus pre-arrival Health Questionnaire

We encourage all our guests to complete this questionnaire on behalf of themselves and household members they are travelling with, before leaving home for their stay at Bishop's Lodge. Upon completion, please email to [thebishops lodge@gmail.com](mailto:thebishops lodge@gmail.com).

Check out date	

Have you, or a member of your household that you are travelling with been tested in the last 14 days for coronavirus (COVID-19)?	Yes	No
Are you, or a member of your household that you are travelling with, currently required to be in isolation because you have been diagnosed with coronavirus (COVID-19)?	Yes	No
Have you, or a member of your household that you are travelling with, been directed to a period of 14-day or 21-day quarantine as a result of being a close contact of someone with coronavirus (COVID-19)?	Yes	No

If you answered YES to any of the above questions, you must not proceed with your stay at Bishop's Lodge. The person required to be in isolation should remain in isolation until they are released, or until their 14-day or 21-day quarantine period is complete.

If you answered NO to the above questions, proceed to the symptom checklist below.

Are you, or a member of your household that you are travelling with, experiencing these symptoms?

Fever (If you have a thermometer, take your own temperature. You are considered to have a fever if above 37.5°C)	Yes	No
Chills	Yes	No
Cough	Yes	No
Sore throat	Yes	No
Shortness of breath	Yes	No
Runny nose	Yes	No
Loss of sense of smell	Yes	No

If you or the person you are travelling with answered YES to any of the above questions, then you should remain at home and not proceed with your stay at Bishop's Lodge. You should also complete the Isle of Man COVID-19 Screening Assessment which can be found here: <https://services.gov.im/covid-19>

If you answered NO to all the above questions, you can proceed with your travel arrangements as planned.

Many thanks for your co-operation, Gaby Cooper
