WELCOME

Welcome to Foot prints

Welcome to Foot Prints, your home away from home, in the quaint beach village of Speightstown . This welcome book is intended to help you get acquainted with the area and our home. We've downloaded our knowledge for you to enjoy! Favorite restaurants, attractions , bars and more. Along with our area guide you'll also find everything you need to know about our home. From air conditioning to the Wifi. You will find a copy of this guide in the home, which you are welcome to take out with you during your stay so you needn't print this out.

Your apartment

We have sought to equip our home to a high standard and to anticipate your needs by providing all the things you might want for a luxurious stay. Hair dryers and beach towels are provided as standard and a washing machine and dryer are available so that you don't have to worry about luggage restrictions.

Our philosophy

You want to have a wonderful holiday and we want that for you too. We believe that when you are here this is your home for however long you are staying and that you will be relaxed, comfortable and happy.

Welcome to our piece of paradise!

DEPARTURE INFORMATION

CHECK-OUT PROCESS

Please inform us as to the time of your departure.

When you leave, please ensure the following simple tasks are done:

- take the rubbish out to the bins
- ensure the air-conditioning is off
- Turn off all electrical appliances e.g stoves ,irons
- leave keys on table, lock the house by using the padlock on the wrought iron gate

CHECK-OUT TIME

Check-out time is strictly 12 noon. Should you require a later check-out we will do our best but you need to let us know before hand. If we have guests arriving that day it will be almost impossible to offer a late check-out due to the cleaners needing to prepare for those guests.

CLEANING

You will find the house clean on arrival but please let us know if you are not satisfied. For stays of 1 week there is no cleaning service. After you depart our cleaners will perform that for the next guest. If you are here for more than two weeks there will be one clean, (time to be arranged). The cleaners have a key and will access the house at the arranged time . If you need a cleaning service more often, please let us know and we will arrange this. An extra payment will apply. On departure it would be helpful if you could leave the house (particularly kitchen appliances) clean and tidy when you leave. No need for you to perform a full clean!

A plastic container is provide for you at the front gate to wash the sand off on entering the premises and there is a hose at the back in the garage to wash off as well.

Sand is extremely uncomfortable especially in the furniture and beds. Also please do not sit on the furniture in wet swimsuits. Salt water is corrosive and stains.

INVENTORY CHECK general not complete.

GETTING YOURSELF ORIENTED

OVERVIEW OF THE AREA

Speightstown is a great and safe place to walk. To the right as you exit the front is Almond hotel (soon to be Sandals Beaches) and the road takes you to the main highway. Left is Port St Charles, Port Ferdinand . Just past that, suggest you drive, is a small fishing village and Little Good Harbour which has a the restaurant Fish Pot

Left outside your doors takes you to the heart of Speightstown. Fish and fresh markets , bakery , supermarkets and town Center . Lots of eateries like Bristol Bar, Orange Street Grocers, Fishermens Pub, Island Plates and 111 East. These are our recommendations. Bahi right across from the condos have just opened and so far the reviews have been good.

SUGGESTIONS IF YOU ARRIVE EARLY

Many guests will arrive before the designated check-in time. The good news is that there is plenty to do. We often suggest that guests visit the grocery store and do a small shop. That will give you more time to relax once you've checked in! There are also a few good restaurants for lunch so why not relax and enjoy some of the local food!

ABOUT THE ACCOMMODATION

APPLIANCE INSTRUCTIONS / INFORMATION

AIR CONDITIONING

Our home has the benefit of air conditioning. You will find the remote on the wall in the bedrooms. Please ensure that all windows and outside doors are closed whilst the AC is running to ensure it operate to maximum efficiency. We recommend a setting of [72F / 22C] which we find keeps the place sufficiently cool. We are extremely environmentally aware and implore you to please do not leave the ac or heaters running when not in use.

CEILING FANS

Our home is equipped with ceiling fans to help keep you cool. Each fan is operated via a [switch on the wall] [pull chain on the fan]

KITCHEN EQUIPMENT

The Fridge/freezer:

You should not need to adjust any settings. If you run into any difficulties (e.g. it's not cooling efficiently) please let us know.

The Hob and Oven:

The hob is an electric one and the red switch to the right must be turned on to power the appliances. There is a smoke alarm so please turn on the extractor while cooking.

The water heater for the downstairs is next to the bathroom door. The water heater switch for up-stairs bathroom is located in the master bedroom in the first closet on your right as you enter . All switches are labeled. Please turn off the heater when not in use. It is electric and heats quickly so it is not necessary to leave on otherwise.

LAUNDRY APPLIANCES

We have a washer and separate dryer located in the utility cupboard in the kitchen. There is a supply of detergent for your use. To operate the machines, simply select the program you want, place the detergent in the drum close the door, and hit start. If in any doubt there are instructions next to the machines

SECURITY / SAFE instructions

The wrought iron doors at the back and front provide great security and allows you to keep the doors open to allow the great breezes to flow through.

The upstairs doors should be locked when leaving the house and on retiring for the night.

The safe in the master bedroom closet can be personalized by doing the following.

WITH THE SAFE DOOR OPEN LOCATE A RED BUTTON AT THE INSIDE BACK OF THE DOOR, PRESS TO RESET AND ENTER A 4 DIGIT CODE PLUS # WHEN THE LIGHT COMES ON.

TURN THE LOCK CLOCKWISE AND SHUT THE DOOR.

TO OPEN, ENTER YOUR CHOSEN 4 DIGIT CODE AND TURN THE KEY CLOCKWISE TO OPEN. Test before putting anything in.

IF something happens that you cannot access the safe please call us for instructions.

THERE IS A FIRE EXTINGUISHER AT THE BACK DOOR

BREAKAGES

We understand that sometimes accidents happen! Should you break anything please let us know immediately - if it's minor we usually won't charge. If it's a larger issue (e.g. the TV screen!) we would like to agree the cost with you before you leave to avoid any issues later. Thank you
